Campaign – Inauguration

Message from the Chair

Over the past year, I have had the chance to see the team of the Fondation Hôpital de l'Enfant-Jésus implement several projects in the pursuit of our Foundation's mission, which is to raise funds to improve the health care services provided at the Enfant-Jésus RHSJ† Hospital.

Remarkable work has been accomplished in the organization of the Annual Campaign, the Northern Star Campaign, the Benefit Supper with guest artists, and the Roses Radiothon.

These projects have been made possible through the support of the many people who have given their time or money, including volunteers, donors, members of the Foundation's Board of Directors, etc. Everyone has come together to plan and carry out these key projects.

Our reward has been a fiscal year that generated a total of \$95,392.

We are pleased to be able to invest the following amounts in your health:

- \$46,621 – patient care sectors (49%);
- \$ 7,376 – diagnosis, treatment, and follow-up sectors (8%);
- \$26,011 – continuing education and other sectors (27%);
- \$15,384 – specialized regional services and fight against cancer (16%).

Our work is not over, with a new year already under way and new needs to be met! In closing, I invite you to continue supporting our Foundation and to make your health a priority.

On behalf of the Board of Directors of the Fondation Hôpital de l'Enfant-Jésus, the staff of our hospital, and our patients and their families, many thanks to everyone.
