

Message from the Chair

It is with infinite gratefulness toward its donors and volunteers that the Fondation Hôpital de l'Enfant-Jésus rounds out its fiscal year with a \$174,429 total.

This success is the direct result of the remarkable work that went into organizing our Annual Fundraising Campaign, the Northern Star Campaign, the Benefit Supper with guest artists, and the Roses Radiothon.

Our Board of Directors is continuing to ensure that donations are directed to the most pressing needs while at the same time respecting our donors' preferences. This year, we were pleased to be able to invest the following amounts in your health:

- \$114,248 – patient care areas (65%);
- \$16,351 – diagnosis, treatment, and follow-up areas (10%);
- \$18,994 – continuing education and other areas (11%);
- \$24,836 – specialized regional services and the fight against cancer (14%);

These results are already significantly improving care for the patients of the Enfant-Jésus RHSJ† Hospital and are clearly setting an optimistic tone for the coming year!

On behalf of the Board of Directors of the Fondation Hôpital de l'Enfant-Jésus, the staff of our hospital, and our patients and their families, many thanks to everyone.
