

Campaign – launching

Northern Star

Benefit Supper

Roses Radiothon

Campaign – unveiling

Message from the Chair

We at the Fondation Hôpital de l'Enfant-Jésus are proud to be able to count on the participation of our community. This report gives you an overview of how your commitment is making a difference.

Thanks to the generosity of our donors and your participation in our events, we can continue investing to improve the health care services offered in our hospital. Whether through the Northern Star promotion, our Benefit Supper, or the Roses Radiothon, time and again you have proven your commitment and dedication to our hospital. Here is how your donations have been invested over the past year:

- \$85,404 - patient care sectors (41%);
- \$75,719 - diagnosis, treatment, and follow-up sectors (36.5%);
- \$30,016 - continuing education sectors and others (14.5%);
- \$16,532 - specialized regional services in the fight against cancer (8%).

As you can see, we have been able to fund numerous projects and programs, and this remarkable financial success augurs well for the future of the hospital and patient care. Be proud of the successes we share!

On behalf of the Board of Directors, I wish to thank our volunteers for their commitment and to thank our generous donors and sponsors for their contributions. Your confidence, passion, and interest drive us to excel as a charitable organization. You are a vital element in a long-standing successful partnership.

Chair of the Board of Directors,

Martine Thériault
