

**FONDATION**  
Hôpital de l'Enfant-Jésus

# Working together for the health of our community, **at home first**

2024/2025 Annual Report

# Message from the Chair

I am honoured to write this message after resuming the role of Chair of the Fondation Hôpital de l'Enfant-Jésus in Caraquet after a few years of absence. Being back with this wonderful organization, which is as dynamic as ever and supported by an exceptional community, reminds me just how strong, committed and deeply rooted our Foundation is in its community.

The year 2024 was marked by some outstanding achievements. Thanks to the generosity of our donors, local businesses and the general public, we not only met but far exceeded our initial goal of \$99,243, raising an impressive \$126,372. This result reflects our community's unwavering commitment to and confidence in the Foundation's mission: to continually improve the quality of care provided to patients and their families.

I would like to express my deep gratitude to all our volunteers, who are the cornerstone of our activities, as well as to our donors and partners for their loyalty and steady support. A special thank you goes to Joseph Lanteigne, Chair of the 2024 Annual Campaign, whose sustained commitment and presence at every one of our activities greatly contributed to this collective success.

As we embark on a change of leadership at the Foundation's office over the coming year, I firmly believe that this continuity of commitment and passion will ensure a prosperous and promising future for our organization. Together, we are continuing to invest in the health of our community – here at home first.

**Normand Mourant**

**Julien Haché**  
**Jean Lanteigne**  
**Yvette Levesque**  
**Louise Thériault**

## 2024 Annual Campaign

### A shared success

Once again this year, the exceptional response from our community has enabled us to carry out an annual campaign of remarkable scope. Through personalized approaches with businesses and individual donors, the Foundation has generated a wave of solidarity that once again demonstrates how committed our community is to the continuous improvement of health care in our region.

Thanks to the generous participation of our donors, businesses and partners, the Foundation not only met but far exceeded its initial goal of \$99,243, raising an impressive **\$126,372**. A success story that demonstrates the strength and solidarity of the entire community in support of the Enfant-Jésus RHSJ† Hospital in Caraquet.

### Tangible advances to better serve our people

The funds raised will make it possible to purchase specialized medical equipment and technological resources that will contribute to the direct improvement of care in the medical, emergency, pediatric, physiotherapy and occupational therapy departments. These investments will have a tangible impact on quality of life and care pathways of patients.

### Decisive support from partners and the community

The 2024 campaign owes its success to the unfailing commitment of numerous volunteers, donors and regional partners, as well as to the Foundation's flagship activities such as the Roses Radiothon and the Northern Star. These events remain a cornerstone of our project funding and a vibrant testament to the spirit of solidarity that drives the Acadian Peninsula.

The screenshot shows the 'DONATION FORM' on the website. It includes a header with the foundation's logo and navigation links. The main section is titled 'Your donation' and features two buttons: 'Donate once' (highlighted in green) and 'Donate monthly'. Below these are input fields for 'Donation amount' (with a dollar sign), 'Fund\*', and a dropdown menu to 'Choose a fund to direct your donation'. A language selector for 'Français' is also visible.

## The strength of your support every day

In 2024, our Foundation continued its efforts to offer the community different ways to contribute to improving the care and well-being of our patients. The monthly giving program allows people to spread their generosity throughout the year, ensuring constant support that we invest in sustainable projects that benefit health. Online donations, accessible at any time on [fondationenfantjesus.ca](https://fondationenfantjesus.ca), offer a simple, fast and secure way to support our mission.

This same year also saw the launch of the **Grateful Patient Program**, an initiative designed to enable patients and their families to express their gratitude to our health care teams and support staff. This program reflects a renewed spirit of appreciation and care, shining a light on the vital contribution of all those who work every day to improve our patients' wellness.

## A lasting investment

We would also like to highlight the commitment of some of our donors who have created a named endowment fund because they care deeply about the long-term future of our Foundation. These funds are invested, and only the interest is used to support the Foundation and the facility now and for future generations. Thanks to their generosity and trust, we can implement initiatives that simply would not be possible without their support.

### We would like to thank these donors for establishing the following funds:

- **Yvonne Clément Memorial Fund** *(created in 2018)*
- **Lorraine Thériault Memorial Fund** *(created in 2022)*
- **Linda Landry Fund** *(created in 2024)*
- **Linda Landry Fund – Oncology** *(created in 2024)*
- **Linda Landry Fund – Palliative Care** *(created in 2024)*
- **Linda Landry Fund – Spiritual Care** *(created in 2024)*
- **Fondation St Pierre Inc. Fund** *(created in 2024)*
- **Charity Committee Fund** *(created in 2024)*
- **Friends of Healthcare Fund** *(created in 2025)*
- **Town of Caraquet Fund** *(created in 2025)*

## Planned giving: a legacy for the future

Planned giving plays an essential role in the sustainability of our foundations. In 2024, **Linda Landry generously chose to include a planned gift in her will** for the creation of several endowment funds in support of the Fondation Hôpital de l'Enfant-Jésus. These funds, established according to her interests and wishes, support the oncology clinic, palliative care and other priority needs of the hospital. Through this inspiring gesture, Ms. Landry is helping to ensure lasting support for essential services while raising public awareness about the importance of considering the health of one's community when estate planning. Her exemplary commitment embodies the power of planned giving and its long-term impact on the quality of care provided in our region.

# Testimonials of your generosity

Every gesture counts and helps improve the lives of the patients we serve. We sincerely thank you for your generosity and commitment to our mission. Together, we will continue to build a healthy future, starting at home!

Thank you for being part of our family and contributing to this positive change!

“ Your generosity and commitment to our hospital is making significant progress possible. Thanks to your donations, we are able to invest in essential medical equipment, improving patient care and treatment. Every contribution, no matter the size, has a real impact. ”

**Joseph Lanteigne**

*Chair of the 2024 Annual Campaign*

“ When any amount is donated to a foundation and invested directly in care, we certainly have a duty to support this initiative, as it takes a lot of money to acquire modern equipment. This is essential, because without public support, I highly doubt that we could afford these things while maintaining the level of service we currently have here in our region. ”

**Claude Landry**

*Grande-Anse, patient treated at the Oncology Clinic in Caraquet*

“ We are all aware of the importance of our hospital for the people of Caraquet and the surrounding area. As the Emergency Department Manager, I can assure you that every resource counts so that we can continue to provide exceptional care.

State-of-the-art equipment isn't just a sophisticated tool: it enables staff to work more efficiently, quickly and precisely. It truly transforms patients' lives, helping medical teams make more accurate diagnoses and prescribe more suitable treatments. ”

**Élaine Albert**

*Emergency Department Manager, Enfant-Jésus RHSJ Hospital*

## The impact of your generosity

**\$75,953**

Sectors related to patient care (65%);

**\$24,120**

Sectors related to diagnostics, treatments, and follow-ups (21%);

**\$10,000**

Regional projects (9%);

**\$5,844**

Sectors related to professional development and other areas (5%).

# 2024-2025 List of donors

The Foundation wishes to highlight the generosity of individuals, businesses, organizations, and partners who made a donation in 2024–2025. In accordance with our recognition policy, the names of donors who contributed \$100 or more between April 1, 2024, and March 31, 2025, are listed below. *The list includes only the names of donors who chose to be publicly acknowledged. Many other benefactors have supported our cause anonymously, and the impact of their contributions is just as meaningful; we thank them sincerely from the bottom of our hearts.*
